Note

In correspondence ending with letter No 7/415/106 dy the 4th March from the President an allowance of Re 1/- a month to the Sole Hagar Dispensary was recommended and the President stated that due provision for this increase will be made in the ensuing year's Supplemental Budget, as the original budget had been already submitted. When this reference was received

(C Hem Bargo 92 Dated 6/2).

Office, the budget head under which was being checked, and the Office made provision in it for the Extra Lobis's allowance but the 2nd Councillor and the Dewan were not pleased to sanction the allowance in question on the ground that the recommendation involves a general question. Orders were accordingly issued on the Presidents' reference.

Therefore the provision of Rs 12/- allowed in the budget on this account in para 7. of the draft order has to be struck off. This modification will reduce the total expenditure by Rs 12/- and raise the closing balance by that amount.

Opening balance

The opening balance for the year 1902-1903 is Rs 35,556-6-8 as per Comptroller's final audited account for 1901-02. Adding to this the estimated receipts for 1902-03 viz Rs84,836 as per supplemental Budget submitted to Government with this office No 256/38 dated 15th September 1902, the total income for the year 1902-03 will be Rs 1,20,392-6-8. Deducting from this the estimated expenditure for the year viz Rs 1,01,933 as per supplemental Budget and Statement of corrections on the same forwarded with this office docket No 256/38 and 607/83 (21170) dated 15th September 1902 and 5/11/03 December 1902 respectively, the closing balance will be Rs. 18,459-6-8 and this has been adopted as the opening balance for the year 1903-1904.

Variations under receipts.

The receipts under the various items are based upon the actuals for the year 1901-02 and the sanctioned estimate for 1902-1903.

Variations under expenditure.

A. Public works to be executed by Public Works department.

Department:
3

II Repairs: — An increase of Rs 600/- under this head is due to the increased mileage grant to Anantapur, Dharthahalli road as per Government Proceedings No 5394-6 dated 2.7.8-1902 4th October 1902.

Public Works to be executed by Revenue officers.

II Repairs: — An increase of Rs 1000/- under this head is due to additional Provision made for Special repairs to some of the Munsafkhanas, such as Tarlagupha etc as per resolution No 9 of the District Fund Board which met on 20th December 1902.

The other items call for no remarks. The estimated closing balance for the year 1903-04 is Rs 18,905. This falls short of the prescribed minimum by a few thousand rupees. But a higher balance cannot be maintained without sacrifice of efficiency. Every endeavour will be made to maintain the minimum balance.

Letter No.632/90 dated 17th January 1903 from the President, District Fund Board, Shimoga Distt submitting the District Fund Budget estimates of the Shimoga Local Fund Circle for 1903-04.

R.L.1941.

Order thereon No 1582-7-39 L.F.8-03 / 8/5/03.

The estimated receipts for 1903-04 are Rs.87262 against Rs. 81159, the actuals of 1901-02 and Rs. 84836, the sanctioned estimate for 1902-03.

17/3/03

2. I 76 per cent of Local Cess. The estimate under this head is based on the Jamabandi figures of 1901-02 and also the estimated arrears at the beginning of the year. This accounts for the increase as compared with the actuals of 1901-02 and the sanctioned estimate for 1902-03. The estimate is passed.

3. III Fines for Cattle Trespass. Under this main head, a sum of Rs.220 is put down as fines to be recovered from owners of impounded cattle as a separate item and in addition to "Fines for Cattle trespass" from which Rs. 1,650 are expected to be realized. It should be explained what the two distinct items are and whether the former sum (Rs.220) represents the fees realized

realized for fodder charges from owners of cattle before they are sold under the provisions of the Cattle Trespass Application and if so why Rs.300 or Rs. [illegible] are shown on the side of expenditure on account of feeding impounded cattle. If on the other hand it (Rs.220) represents the fines paid by owners of cattle before they are sold & the latter (Rs.50) shows the fines deducted from the sale proceeds of the unclaimed cattle, why these should be shown as two distinct items in the consolidated Budget statements, ~~should be stated.~~ [illegible] information, however, the entries will be allowed to stand.

Opening balance In lieu of the figure of Rs.18439 proposed by the President, Rs.18147 will be adopted with reference to the actual balance of Rs. 36,696 on 1st July 1902 and the sanctioned rates of receipts and expenditure for 1902-03.

Expenditure.

Public Works. The increase under "Repairs" is due to the provision made in the present budget for the increased rate of mileage allotment of Rs.53 to Rs.70 sanctioned to the Tirur-Tirthalli road in Proceedings No. [illegible]/P.W.S-02 dated 4th October 1902 for a lump sum entry of Rs.2543 against Rs.2505 sanctioned

for

for 1902-03 under "Reserve" for special repairs of roads and repairs of IIIrd class Travellers' Bungalos. The provision is passed.

5. B.Public Works. In the consolidated statement, a sum of Rs.4185 is shown to have been sanctioned under "II Repairs" for 1902-03 whereas in the statement of details, Enclosure C the same is given as Rs.5185. Such discrepancies should be avoided in future. Rs.4185 which is according to the supplemental budget for 1902-1903 sanctioned in Proceedings No. 12186-9/L.F.8-02 dated 21st February 1903, will be adopted in the former statement.

C.Civil charges.

6. II Medical scholarships. The provision made under this head will be retained, pending the receipt from the Senior Surgeon of a statement showing the number of students and the amount of scholarships &c required.

7. III Hospitals and Dispensaries. The provision under this head includes Rs.550 on account of furniture to the I.D.Dispensaries as well as bedding and clothing to in-patients. The amount required for each of the above two items should be specified, as the latter is debitable entirely to District Funds, while in the case of the former, a portion is debitable to Municipal funds. Pending information

provision will be retained.

~~No sanction to the transfer of Rs 1 per~~ ~~annum to the Surgery Cooly at the Ma-~~ ~~Bhoomsagar now under proposal and~~ ~~agreed to in the President's letter~~ ~~No. dated the 4th March 1903 the to-~~ ~~tal outlay to will be raised to Rs.5910.~~

lary of the midwife at ~~Kadur~~ Karur sanctioned
temporarily for one year in Govt. Pro.
No. 2255-02 dated the 7th Febru-
ary 1903, the estimate of Rs.1388 pro-
vision under this head will be raised

of all midwives will be shown as Rs.15,
the excess now drawn by some being shown
under allowances under Pro. No.2273-84/T.
dated 3rd August 1902.

The other items call for no remarks
and are passed.

READ—

Letter No. 652-90, dated 17th January 1903, from the President, District Fund Board, Shimoga District, submitting the District Fund budget estimates of the Shimoga Local Fund Circle for 1903-04.

No. 15827-39—L. F. 8-03, DATED BANGALORE, 8TH MAY 1903.

ORDER THEREON.—The estimated receipts for 1903-04 are Rs. 87,262 against Rs. 81,159, the actuals of 1901-02 and Rs. 84,836, the sanctioned estimates for 1902-03.

2. *I. 76 per cent of Local Cess.*—The estimate under this head is based on the Jamabandi figures of 1901-02 and also the estimated arrears at the beginning of the year. This accounts for the increase as compared with the actuals of 1901-02 and the sanctioned estimate for 1902-03. The estimate is passed.

3. *III. Fines for Cattle Trespass.*—Under this main head, a sum of Rs. 220 is put down as fines to be recovered from the owners of impounded cattle as a separate item and in addition to "Fines for cattle trespass" from which Rs. 1,650 are expected to be realized. It should be explained what the two distinct items are and whether the former sum (Rs. 220) represents the fees realized for fodder charges from owners of cattle before they are sold under the provisions of the Cattle Trespass Regulation, and if so, why Rs. 300 or Rs. 80 more are shown on the side of expenditure on account of feeding impounded cattle. If, on the other hand, it (Rs. 220) represents the fines paid by owners of cattle before they are sold and the latter (Rs. 1,650) shows the fines deducted from the sale proceeds of the unclaimed cattle, it should be explained why these should be shown as two distinct items in the consolidated budget statements. Pending information, however, the estimates will be allowed to stand.

4. *Opening Balance.*—In lieu of the estimate of Rs. 18,459 proposed by the President, Rs. 18,147 will be adopted with reference to the actual balance of Rs. 36,696 on 1st July 1902 and the sanctioned estimates of receipts and expenditure for 1902-03.

EXPENDITURE.

5. *A. Public Works.*—The increase under "II Repairs" is due to the provision made in the present budget for the increased rate of mileage allotment from Rs. 50 to Rs. 70 sanctioned to the Anantapur-Tirthahalli road in Proceedings No. 5394-6—L. F. 8-02, dated 4th October 1902, and for a larger lump sum entry of Rs. 2,545 against Rs. 2,505 sanctioned for 1902-03 under "Reserve" for special repairs of roads and repairs of 3rd class travellers' bungalows. The provision is passed.

5. *B. Public Works.*—In the consolidated statement, a sum of Rs. 4,185 is shown to have been sanctioned under "II Repairs" for 1902-03, whereas in the statement of details (Enclosure C) the same is given as Rs. 5,185. Such discrepancies should be avoided in future. *Rs. 4,185, which is according to the supplemental budget for 1902-03, sanctioned in Proceedings No. 12186-9—L. F. 8-02, dated 21st February 1903, will be adopted in the former statement.

*Excluding Rs. 40 stated to be unnecessary in his letter No. 807—85, dated 5th January 1903.

C. CIVIL CHARGES.

6. *II. Medical Scholarships.*—The provision made under this head will be retained subject to eventual correction if necessary on the receipt from the Senior Surgeon, of a statement showing the number of students and the amount of scholarships etc., required.

7. *III. Hospitals and Dispensaries.*—The provision under this head includes Rs. 550 on account of furniture to the Local Fund Dispensaries as well as bedding and clothing to in-patients. The amount required for each of the above two items

should be specified, as the latter is debitable entirely to District Funds, while in the case of the former, a portion is debitable to Municipal Funds. Pending information the provision will be retained.

8. *IV. Midwives.*—To meet the salary of the midwife at Karur sanctioned temporarily for one year in Government Proceedings No. 11480—L. F. 255-92, dated the 7th February 1903, the estimate of Rs. 1,388 proposed under this head will be raised by Rs. 240 or to Rs. 1,628, but the pay of all midwives will be shown as Rs. 15 the excess now drawn by some being shown as allowances under Proceedings No. 2273-84—L. F. 55-93, dated 3rd August 1902.

10. The other items call for no remarks and are passed.
